### Shocking Sounds

in the earth are sometimes heard before the terrible earthquake, that warn of the coming peril. Nature's warnings are kind. That dull pain or ache in the back warns you the kidneys need attention if you would escape those dangerous maladies, Dropsy, Diabetes or Bright's disease. Take Electric Bitters at once and see backache fly and all your best feelings return. "My son received great benefit from their use for kidney and bladder trouble," writes Peter Bondy, South Rockwood, Mich., "It is certainly a great kidney medicine." Try it. 50 cents at A Druggists.

### Sublime and Ridiculous.

We like fine writing when it is properly applied; so we appreciate the following burst of eloquence in a contemporary: "As the ostrich uses both legs and wings when the Arabian courser bounds in her ear—as the winged lightning lea from the heavens when the thunderbolts are loosed—so does a little negro run when a big dog is after him."

### Almost Lost His Life.

S. A. Stid, of Mason, Mich., will never forget his terrible exposure to a merciless storm. "It gave me a dreadful cold," he writes, "that caused severe pains in my chest, so it was hard for me to breathe. A neighbor gave me several doses of Dr. King's New Discovery which brought great relief. The doctor said I was on the verge of pneumonia, but to continue with the Discovery. I did so and two bottles completely cured me." Use only this quick, safe, reliable medicine for coughs, colds, or any throat or lung trouble. Price 50c and \$1.00 Trial bottle free. Guaranteed by All Druggists.

### Aid for the Invalid.

A stick of the right sort will help an invalid in many ways. It should be strong, yet light, with a stout iron hook on one end and a knob on the other. This will enable an invalid to adjust curtains, raise and lower shades and windows, push her rolling chair or move a screen, and aid herself in a variety of other ways.

### He Won't Limp Now.

No more limping for Tom Moore of Cochran, Ga. "I had a bad sore on my instep that nothing seemed to help till I used Bucklen's Arnica Salve," he writes, "but this wonderful healer soon cured me." Heals old, running sores, ulcers, boils, burns, cuts, bruises, eczema or piles. Try it. Only 25c at All Druggists.

Don't buy a range from a peddler when you can get a better one at home for \$10.00 less money.

**THE ITALIAN REMEDY.**  
The Italians resort to a very simple method when they wish to obliterate the injurious effects of salt air and sunshine after a visit to their villas, the shore of the Adriatic, the Tyrrhenian sea or the lakes. They bathe the face with the white of an egg, well beaten, let it dry on the skin and rinse it off in soft water after fifteen minutes. The treatment is repeated three or four times, and always at night just before retiring.

### Blamed A Good Worker.

"I blamed my heart for severe distress in my left side for two years," writes W. Evans, Danville, Va., "but I know now it was indigestion, as Dr. King's New Life Pills completely cured me." Best for stomach, liver and kidney troubles, constipation, headache or debility. 25c. at All Druggists.

## SHOWING LIFE OF THE PAST

Remarkable Collection of Antiquarian Objects in Famous Museum at London, England.

In the arrangement of its varied contents—which include many thousands of objects, all bearing upon the history and life of London—the new London museum at Kensington palace is almost unrivaled. It had its material origin in private and anonymous benefactions, the intention being to bring together whatever objects of antiquity, including relics of remote ages, found in the course of excavation, remains of Roman, Celtic, Saxon and Norman London, which might throw light upon the social, domestic and public life of the inhabitants.

The stone and bronze ages are well represented, while Roman life is revealed by the large collection of objects bearing upon the little comforts of life in those times. Shoes of all ages are exhibited by thousands—including a real Roman sandal in leather, found in diggings in central London, down to the numerous styles of the fifteenth century.

Tudor caps, porcelain, silver dishes and ornaments, costumes and other things of the past are in abundance, the most interesting being a Roman galley, in which were some coins of A. D. 23. In the annex are wonderful reproductions of London as it was before the great fire.

## QUITE WILLING TO QUALIFY

Little Thing Like the Serving of a Jail Sentence Had No Terror for Si Hoskins.

Gen. Ramsay Potts, praising patriotism at a Fourth of July dinner in Chicago a few years ago, said:

"I like to hold up as a patriotic example young Si Hoskins.

"Si once decided to enlist. He burnt with a desire to serve his country. So he applied at a recruiting office, and was duly punched and prodded, trotted up and down, jumped over chairs and tables, and so forth.

"Then came question time. All sorts of questions were fired at Si, and his answers were most satisfactory. Then came the stern inquiry:

"Have you ever served a jail sentence?"

"No—no sir," Si stammered; but, he added hastily, "I'd be very glad to do a medium-sized one if it's necessary."

### MOTHER-LOVE.

All logic breaks down in the presence of growing things, as inexperienced city farmers and chicken growers know. Little children need love and constant personal adjustments. Love does for them what sunshine does for plants; it is an indispensable condition of good growth for minds and feelings. So, too, the social instinct, being among the earliest and most important of our powers to develop, needs constant personal adjustment as the condition of its best growth and realization. Nine hundred and ninety-nine mothers out of a thousand give these conditions to their babies, while the best-trained and most sanitary nurse cannot secrete love for several children any more than one mother can secrete milk for a group of children. It is not a matter of good will; it is a matter of human limitations.—Atlantic Monthly.

### WOMEN'S BATTLEFIELD.

Mrs. Lydia B. Tague, Colorado's first and only woman judge, was discussing the anti-suffrage movement.

"Mrs. Humphry Ward and the other leaders of this movement," she said, "declare that, because woman is no soldier she can be no voter.

"There are a number of answers to that contention, but my answer would be this:

"Women have their own battlefields. There they fight with pain and death for every life that is added to the world."—Detroit Free Press.

### MIGHT BE WORN.

Jinks (in the street car)—I tell you, science proves that the world has four corners.

Blinks—Not so loud. Some trust magnate might hear you and try to corner all the corners.

### PRUDENT CRITICISM.

"Gu says he was the only one who had the nerve to comment adversely on that boxer's exhibition the other night."

"So he did, but I noticed it was a running comment."
